

Mission Statement:

Meldrum & Bourtie Parish Church upholds a Christianity that sees salvation in holistic terms – not just about the individual, but about the public, social, political and present.

Through our mission and ministry, Meldrum & Bourtie Church wants to be an agent of change and hope for church and society, fostering good practice and enhancing the level of discourse about matters of public significance.

We help the homeless and those in need locally, we work constantly to try and provide relief and reduce the stress that this can cause to the family and to the individual. To be there for generations to come, we are reaching out to those who can help us today.

We have ambitious plans for our future and are determined to ensure that Meldrum & Bourtie Parish Church continues to promote compassion, enlightenment and inclusion for people of all faiths, and those of none.

But we can't do it alone. We need the help of everyone who cares about the good we do and can see the potential for positive change through Meldrum & Bourtie Parish Church to be part of building our future.
